

PACOlA: Evaluation Form

This project aims to create a **web-based application** that uses **Artificial Intelligence (AI)** to **analyze and evaluate students' oral academic presentations in English**. This questionnaire helps us collect information to improve the application.

Please respond sincerely and slowly. If you have any further questions about this study visit : <https://innovacioneducativa.upm.es/proyectos-ie/informacion?anyo=2024-2025&id=1562> or contact your professor via email.

IMPORTANT: Do not forget to sign the data processing consent form before proceeding. This form is not anonymous, but **your answers won't affect your subject grade**.
